

# Wynndel Box & Lumber Co. Ltd. Environmental Policy

Wynndel Box & Lumber Co. is committed to maintaining a dynamic and sustainable forest resource by responsible stewardship of the environment while ensuring we remain competitive in the industry without compromising the safety of our worker and the public

- We will ensure our operations are in compliance with all applicable laws and other commitments pertaining to the management of the forest resource and the prevention of pollution.
- We will regularly review our practices and procedures to continually improve our environmental performance.
- We will provide training for our employees and contractors on environmental procedures.
- We will conduct timely audits of our environmental systems and implement corrective measures as required.
- We will manage our forest resources in a sustainable manner, provide an environment that encourages creativity, and allows the implementation of techniques that will be beneficial to the forest resource and the public and our future.

Wynndel Box & Lumber Co. Ltd. is dedicated to sustaining a healthy environment and a strong economical forest industry.
