

**WYNNDEL**  
**LOGGING COMPANY**

SINCE 1913

## *Sustainable Forest Management Policy and Commitments*

Wynndel Box & Lumber Co. Ltd. is committed to compliance with the SFI Standard, and to communication of the SFM Standard and commitments throughout the organization. The company will also obtain certification of this SFMP and the company operations to the SFI standard by an independent third party. The company will implement and achieve the nine Principles of Sustainable Forestry outlined in the SFI standard.

The company has developed documents that describe commitments relevant to SFM and will make these available to company personnel, suppliers, customers and other interested parties, including:

- An environmental policy (ISO 14001);
- SFI Chain-of-Custody Standard and Associated Labels (Annex 2);
- A commitment to comply with all legislation relevant to social laws, employment and employee rights, and worker health and safety found in the Company payroll and employee files;
- A commitment to recognize and respect First Nations rights are shown through our planning review process and our on going planning forum with First Nations.
